Report on the audit of the Standalone Financial Results

Opinion

We have audited the accompanying standalone financial results of **Balmer Lawrie Investments Limited** ("the Company") for the year ended **31st March, 2025**, and the standalone assets and liabilities and the standalone statement of cash flows for the year ended on that date, attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations")

In our opinion and to the best of our information and according to the explanations given to us, the Statement:

- i. is presented in accordance with the requirements of the Listing Regulations in this regard and ;
- ii. gives a true and fair view in conformity with the recognition and measurement principles laid down in the applicable accounting standards prescribed under Section 133 of the Companies Act , 2013 and other accounting principles generally accepted in India, of its profit (including other comprehensive income) and other financial information of the Company for the year ended **31st March, 2025** and the standalone assets and liabilities and the standalone statement of cash flows as at and for the year ended on that date

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs), specified under section 143(10) of the Companies Act, 2013, as amended ('the Act'). Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Standalone Financial Results' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the

financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Management's Responsibilities for the Standalone Financial Results

These Standalone financial results have been prepared on the basis of the standalone annual financial statements for the year ended 31st March, 2025. The Company's Board of Directors is responsible for the preparation and presentation of these standalone financial results that gives a true and fair view of its profit (including other comprehensive income) of the Company and other financial information and the standalone statement of assets and liabilities and standalone statement of cash flows in accordance with the applicable accounting standards prescribed under section 133 of the Act read with relevant rules issued there under and other accounting principles generally accepted in for the India and in compliance with Regulation 33 of the Listing Regulations.

This responsibility also includes the maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial results, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial results as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for

our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Boards of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial results represents the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatement in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide, those charged with governance, with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matter

The figures for the quarter ended 31st March 2025 and the corresponding quarter ended in the previous year as reported in the Statement are the balancing figures in respect of the full figures in respect of the full financial year ended 31st March, 2025/ 31st March 2024 and the published unaudited year to date figures up to the third quarter of the current and previous financial year respectively. Also, the figures upto the end of the third quarter had only been reviewed by us as required under Listing Regulations.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs), specified under section 143(10) of the Companies Act, 2013, as amended ('the Act'). Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Consolidated Financial Results' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained by us and the other auditors in terms of their reports referred to in "Other Matter" paragraph below, is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated financial statements of the current period. These matters were addressed in the context of our audit of the Consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report:

We draw attention to the key audit matters of the subsidiary company i.e. Balmer Lawrie & Co Limited, audited by other auditor, whose consolidated audit report dated 15th May 2025 contains the following: -

Sl. No	Key Audit Matter	How our audit addressed the key audit matter

This matter has been taken note of by the Board and Audit Committee of the Holding Company and is currently under investigation by the vigilance department.</p> <p>The Branch auditor of the Northern Region of the Holding Company was informed by us about the reported alleged fraud. Subsequently in course of their audit procedures and review of the matter, they identified additional payments to the same vendor amounting to Rs 46.60 Lakh, which according to their report appeared suspicious. Based on the observations made by the Branch auditor in their reports, the documents provided by management and our own subsequent audit procedures, we have reason to believe that a suspected fraud may have occurred at the branch in question. Based on these developments, management of the Holding Company has recorded the total amount of Rs 190.25 Lakhs as recoverable from the vendor and simultaneously created a provision for the same. We have considered this matter to be of significant importance due to the nature of allegations, the suspected fraud and the management's judgement in determining recoverability and provisioning, and the fact that the investigation is still ongoing.</p>	<p>necessary audit and review of the matter. They have verified all relevant documents and internal findings related to the incident, shared their observations with us, and referenced the matter in their Independent Auditors' Report dated 8th May 2025 on the FY 2024-2025 Financial Statements for the Northern Region, which we have received and reviewed.</p> <p>In parallel, we have also reviewed the relevant documents provided and discussed the status of the ongoing investigation with management.</p> <p>We have also assessed the accounting treatment, including the recognition of the amount as recoverable and the adequacy of the related provision.</p> <p>Management has informed us that the Vigilance Department is continuing its investigation. Further, the Holding Company has assured us that control mechanisms have been strengthened to prevent such incidents in the future.</p>

2.	<p>Evaluation of uncertain tax positions</p> <p>The Holding Company has tax matters under dispute which involves judgment to determine the possible outcome of these disputes. [Refer Note No.42.4(a) to the Consolidated Financial Statements].</p>	<p>We obtained the details of assessment orders to the extent available, regarding those assessments for which disputes are continuing and being disclosed as contingent liability by the management. We involved our expertise to estimate the possible outcome of the disputes. We have made inquiry with legal and tax department regarding status of significant disputes and examined relevant assessment orders/ appeals filed and other rulings in evaluating management's position on these uncertain tax positions to evaluate whether any changes were required to management's position on these uncertain tax matters.</p>
3.	<p>Debtors Due for More than Three years, Unadjusted Credits in Sundry Debtors Accounts and Balances in Unallocated Receipts Account)</p> <p>The Holding Company has unadjusted credits in some customer accounts and also credit balances on account of unallocated receipts account across all Strategic Business Unit (SBU's) due to the following reasons:</p> <ul style="list-style-type: none"> • Amount lying in the nature of advance in the customer account; or • Amount credited to customers account but the same could not be tracked/linked with any sales invoice; or • Non-reconciliation of these balances and the absence of customer's confirmation resulting in the credit balances lying for long periods; or 	<p>We assessed the procedures followed by the management for reconciling trade receivable balances and evaluating the treatment of unadjusted credits and unallocated customer receipts. We have reviewed the debtors' ageing schedule, examined significant outstanding balances, and considered subsequent receipts and other supporting documentation to evaluate the appropriateness of the recorded amounts. The Holding Company is regularly following up on the realisation of the same. As is evident from the ageing schedule, dues do exist for more than three years against which substantial provisions have been made in the accounts.</p> <p>We, during the course of our examination have also checked the unadjusted advances from customers lying for more than three years, the credit balances lying in customers' accounts on account of unmatched invoices and balances lying in</p>

Old balances in this account are written back by the Holding Company each year after review of the account. 	<p>unallocated receipts account. Some of the balances which were lying unadjusted in aforesaid accounts for more than three years have been written back during the course of audit. In some cases, the management is in the process of reconciliation with the respective parties and hence the write back if any, has been kept in abeyance.</p> <p>It is observed that though the letters seeking customers' confirmation are sent by the Holding Company, the response has been poor. Steps should be taken to get the confirmation from customers. In addition to the practice of seeking confirmation annually, the Holding Company should also get confirmation through the sales team on a periodical basis other than annually.</p> <p>Non-reconciliation of unallocated receipts with sales invoice of the customers is a potential internal control risk. The management has to strengthen the internal control process of reconciling the balances of the debtors and to adjust the unallocated receipts on a periodical basis.</p>

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Boards of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial results represents the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatement in the consolidated financial results that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide, those charged with governance, with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
